## DELAWARE COMMITTEE ON CRIMINAL JUSTICE REFORM

Thursday, August 17, 2017

(Location)  
Wilmington, DE

### AGENDA

---

**1:00 p.m. -2:00 p.m.**

#### **Project Updates and Workgroup Report-Out**

The Core Team and NCJRP will provide a brief update of the status and progress of the project, and Workgroup Co-Chairs will provide an overview of the efforts to date and plan for continued direction. Members will also discuss a communication strategy for all NCJRP activities.

**2:00 p.m. -3:15 p.m.**

#### **Evaluation and Implementation Science Workshop**

Roger Przybylski will provide an overview of the Arnold Foundation's evaluation expectations, the key features of a sound evaluation plan, and lessons learned from implementation science that can help facilitate the implementation of Delaware's reentry reform efforts. Information will be presented on:

- Process evaluation basics, including the importance and challenges of implementation fidelity, particularly in the context of RNR, and the need for quality assurance and fidelity monitoring to be included in Delaware's process evaluation efforts.
- Outcome evaluation basics, including what is feasible for measuring long term recidivism reduction for the Delaware initiative, as well as methods for documenting short-term success, such as the development of a *Time to Failure Study*.

**3:15 p.m. - 4:00 p.m.**

#### **Next Steps and Adjourn**

During this session the Committee will discuss strategy for developing state NCRJP State Plan and Report to Governor, identify next steps and note next meeting date.
